

REJOICE CHRISTIAN CENTER'S
Virtuous Women's Fellowship

Phone raiser™

Fundraising Program

Reasons to Help this Cause:

- You're not being asked to give cash!
- You will be doing your part to help the environment!

By giving old technology new life, you are keeping it from polluting our landfills. If improperly disposed of, one cell phone can pollute up to 132,000 liters of drinking water. Your unwanted cell phones and inkjet cartridges will be recycled in accordance with the Environmental Protection Agency's regulations or refurbished and reused.

- Your donation is tax deductible!*

*(*Rejoice Christian Center is a nonprofit organization with a 501c3 status.)*

Please **support** our organization by **donating** your used **cell phones** and **inkjet cartridges** while helping save the **environment** from toxic waste!

All cell phones and inkjet cartridges are accepted.
Please place all donations in the prescribed collection box.
